

As a writer for most of my life, my passion has been being able to communicate with people in a way that is not only accessible, but knowledgeable. Writing can not only help people learn new things, but also show off new perspectives. Utilizing words and understanding the weight behind each one is the best way to connect to people and see how they - or you - may feel.

Howard Community College (HCC) • A.A. in Communications

2014 - 2018

HCC Times • Content Strategist & Layout Editor 2016 - Current

Coordinating articles with writers and maintaining contact with advertising partners, and administrators to craft an editorial voice of and for the students.

HCC Student Life • Social Media Specialist 2017 - 2018

Working with the directors of Student Life at Howard Community College, I specialized in crafting engaging posts, statuses, and tweets about student happenings around campus.

Nintendojo • Article Contributor 2014 - 2016

Created articles that peered into the makeup of who and what Nintendo is. Worked on a tight, fast-paced schedule while ensuring quality articles were written.

Culture Milk • Senior Editor 2011 - 2015

Strategized content alongside five others in order to bring new perspectives to articles about technology, fashion, literature, and other modern areas of interest.

Stemmings • Writer & Creative Director 2011 - 2013

Worked with a very small team of people to routinely write articles that focused on understanding how we accept and digest technology as a whole. Had a monthly segment discussing how the mind works for people in the tech industry.

Power Gamer & Cell Phone Doctor • CSR & Social Media Director 2014 - 2016

Reviews, discussions, thoughts about all things gaming cataloged through Twitter, Facebook, and Yelp. Assisted a small team of people in organizing different sales tactics and ways to engage possible customers.
