

Book Club x The Girl With All the Gifts

Posted on October 2, 2014 by Shawn Wilkins

Every morning, Melanie waits in her cell to be collected for class.

When they come for her, Sergeant Parks keeps his gun pointing at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite. But they don't laugh.

Melanie is a very special girl.

The second book up this month is *The Girl With All the Gifts* by M.R. Carey, obtainable through [Amazon](#), [iBooks](#), and [Google Play](#). It's a spooky new take on the zombie genre sure to make it impossible to sleep through these chilly October nights. This novel features guns, psychotic behavior, and a ton of mind games. Let's get started!

Same as last month, there will be a podcast up on the first of November, a discussion following it, and we'll vehemently encourage you all to read along with us even if it requires deadly force, *but we do it out of love*.

About Shawn Wilkins

An enthusiastic writer who values quality over quantity. The abundance of posts shouldn't make the site, but rather, the quality of them. Aiming for perfection is the goal and anything less isn't acceptable. Long walks on the beach are accepted, however.
