

Kyle's Winter Mix 2011

Posted on December 19, 2011 by Shawn Wilkins

A nice little compilation of some melodic tunes has been crafted together by a friend of a friend, Kyle Decker. This mix contains some of our favorite artists including Sufjan Stevens, She & Him, Mother Mother, and tons more. It's a gentle mix of songs that some people have likely never heard or songs that we're not likely to have put together, but mix so well being that it is the holiday season. There's not much to talk about other than the incredibly easy to listen to songs and how easy it is to fall in love with each of them as it plays and develops.

You can check out the mix at this Tumblr page that Kyle has set up: [Winter Mix 2011](#) You can create your own opinion of it as usual, but as Steve Jobs would've put it: we think it's great.
